Mentor Training

On May 6th, our medical assistants that have been asked to train new medical assistants gathered for a Mentor Training meeting. The theme was “Stuck On You”. The Mentors are asked to stick to their trainee like they are joined at the hip. To illustrate this, we sewed together 8 sets of scrubs. The two teams of four competed to see who could make four ice cream sundaes the fastest. Three of each team were blindfolded, while the fourth instructed the other three which toppings to add. After they were all made and eaten (yummy!) the Mentors had to make their way around the Business Office in their eight-woman getup. It was a sight to see! A special “Thank You” to Office Managers **John Sisk** and **Scott Hanson** for such a great team building exercise! Oh, and in case you are curious, the **BLUE** team won the Ice Cream Challenge!

Welcome Vihaan!

We are excited to announce the arrival of **Dr. Sheetal Kale's** second baby boy! Vihaan was born April 13th at 5:02 am. He weighed 6 pounds 6 ounces, and was 19 ¼ inches long! Dr. Kale and her family are so excited to finally have him here, although they are getting a lot less sleep than usual!

Big brother Aaroosh adores his new little brother and takes very good care of him. Dr. Kale is doing very well, and is grateful for all of the well-wishes. She will be taking a leave of absence to spend some quality time with her husband and sons, but will be back seeing patients before you know it ☺. Check out these great pictures of little Vihaan!

Happy Birthday!

Vicki Bracamonte – May 7th
Triage

Samantha Snyder – May 10th
Front Office

Kassy Johnson – May 14th
Front Office

Matt Smith – May 16th
Marketing

Molly Jo Riley – May 17th
Billing Office

Joann Sample – May 20th
Medical Assistant

Chelsea Littlejohn – May 20th
