### Memorial Day – May 31, 2010

“Over one hundred years ago, Memorial Day was established to commemorate those who died in the defense of our national ideals. Our ideals of freedom, justice, and equal rights for all have been challenged many times since then, and thousands of Americans have given their lives in many parts of the world to secure those same ideals and insure for their children a lasting peace. Their sacrifice demands that we, the living, continue to promote the cause of peace and the ideals for which they so valiantly gave of themselves.

“Today, the United States stands as a beacon of liberty and democratic strength before the community of nations. We are resolved to stand firm against those who would destroy the freedoms we cherish. We are determined to achieve an enduring peace -- a peace with liberty and with honor. This determination, this resolve, is the highest tribute we can pay to the many who have fallen in the service of our Nation.”

Former President Ronald Reagan, 1981

Drs. Goodman & Partridge, OB/GYN wishes to extend a heartfelt “Thank You” to the brave men and women who so passionately defend our freedom and liberty. We are deeply indebted to our military, and particularly those who have given and will give life and limb in the defense of everything we hold dear. Many of our employees have family members serving abroad, and we honor and thank you for your service and sacrifices. Have a safe and happy Memorial Day weekend, and please take time to remember and thank those who make it all possible.

The *GoodPart Grapevine* extends a very sincere apology to **Roxanne Lane-Brink, WHCNP**, for missing a tremendous milestone! Roxanne’s **TEN YEAR ANNIVERSARY** with Drs. Goodman & Partridge, OB/GYN was on May 16<sup>th</sup>, and we neglected to note the date in the last issue of the *Grapevine*. Our apologies, Roxanne!
