## Welcome Lindsay Ruder, PA!!

We are excited to report that **Lindsay Ruder, PA** is joining our excellent group of providers on Monday, August 30<sup>th</sup>! Lindsay just finished her Master of Physician Assistant Studies at A.T. Still University (ATSU) and will take her boards in September. She received her Bachelor of Science in Biology from Texas A&M University (go Aggies!!). Lindsay served as President of the Dr. Louis J. Kettel Student Society at ATSU for two years.

Lindsay grew up in a volleyball family! She is the 2<sup>nd</sup> of three girls in her family, but with the youngest only a sophomore in high school, Lindsay definitely has "youngest child syndrome." Lindsay is originally from Topeka, Kansas, but her family moved to north Dallas, Texas, when she was in high school. Lindsay loves to be outdoors, doing anything from playing sports (softball, volleyball, throwing javelins...) to hiking and snow skiing. She is a diehard Aggie and will root against the University of Texas any day! She loves to read, particularly Dan Brown or Nicholas Sparks novels. Lindsay shares her life with a Pomeranian named Biscuit, who is apparently the best dog in the world. We are excited to have Lindsay join us and hope she can bring some serious game to our softball team!! ☺ Welcome aboard, Lindsay!
